StudentsWith
Migratory Biography

Students with migratory biography follow this programme in order to:

▶ learn Greek and ▶ get a grip/gain an understanding of how the public educational system in Cyprus works and adjust more smoothly into the school environment

At the end of the first academic year, students take an exam in Greek.

If they succeed in this exam, then they can either:

- >> take the necessary exams in order to join the section they like in class **B' Lyceum**
- or
- >> enter one of the sections for which no entry exams are needed.

They can follow one of the following sections.

The subjects they will be examined in, can be seen in the table below:

1st section: Classical and Humanities Studies	History and Ancient Greek
2nd section: Foreign Languages and European Studies	History
3rd section: Science, Life sciences, Information Technology	Mathematics and Physics
4th section: Economics	Mathematics and Economics
5th section: Services	No examination
6th section: Fine Arts	No examination

StudentsWith
Migratory Biography

Students with migrant background, who do not pass their examinations at the end of the first academic year, can continue attending the specific programme for **only** one more year, as long as they meet the age criteria (not above 18).

In case they do not meet the age criteria based on the legislation and have failed the examinations, they can join class B' Lyceum, but they will not be awarded a leaving certificate.

◆ A student can potentially be in this programme for only two years.

Further info:

Students with migrant background, **who have failed the entry exams of the section they wish to follow for class B'**, they can either join the 5th Section(Trade and Services) OR

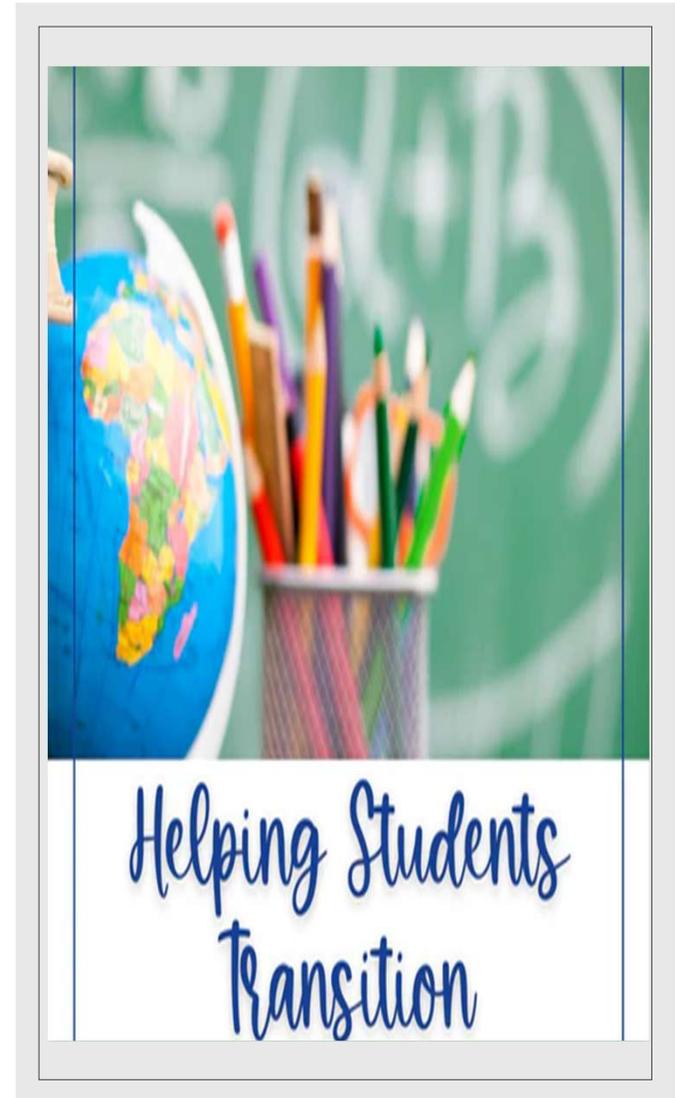

The 6th Section (Art Section) of class B' (year 2) with no entry exams

▶ They can also attend class B' Lyceum not on a regular status of studies. Consequently, they will not be awarded an Apolytirion.

▶ A prerequisite again is for the student to meet the age criteria.

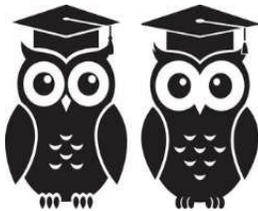

Students in class C/year 3 who succeed in obtaining their Apolytirion, can apply for a position at the public Universities of Cyprus with the Pancyprian exams in June, after their Apolytirion exams, in order to gain a BSc or BA degree.
